Please fill out the details of your mail-in:

	QTY.	Description	Model#	Serial#	Problem
Item 1					
Item 2					
Item 3					
Item 4					

Please do not send your tools with any cases. Wrap your tools in bubble wrap or some other protective wrap. Place the tools into the box and pack with packing material so the items do not move inside the box. Place the RA form inside the box and write the RA# on the outside of the box. SHARPENit recommends you insure your package for the full replacement value of the tools being sent.
